The **BIO Malaysia 2010** exhibition and conference will be held at the KL Convention Centre from 2nd to 4th November 2010. **BIO Malaysia 2010** is jointly organised by the Ministry of Science, Technology and Innovation (MOSTI), Malaysian Bio-Technology Corporation and PROTEMP Exhibitions.

The exhibition and conference captures the essence of the emerging bio-technology industry and vast possibilities in commercial applications with this year's theme "**Innovating Commercialization**".

Billed as the largest bio-technology event in the region, **BIO Malaysia** showcases the progress of the Malaysian bio-technology industry across diverse industrial applications, including agriculture, health care, heavy industry and bio-informatics. The event will also provide a platform for networking among industry players and knowledge sharing by experts in the field of bio-technology.

BIO Malaysia 2010 targets 16,000 trade visitors, comprising delegates, local and foreign visitors and media from all over the world.

Netherlands Foreign Investment Agency

NFIA is an agency of the Netherlands Ministry of Economic Affairs which aims at assisting Malaysian companies wishing to take advantage of the Netherlands as a strategic base to cover Europe. Information and assistance on a confidential basis as well as technology partnership are provided free-of-charge.

NFIA Malaysia is planning to organize a Dutch pavilion at Bio Malaysia 2010 to showcase Dutch technology and know-how as well as what the country has to offer *as a gateway to Europe*. A package has been designed for participants which include built-up booth space, speaker slot at the conference, one-day conference pass, free stage presentation and additional activities like company and ministry visits, reception and profile of participating companies, all at an attractive rate.

For more information, please contact: Agnes Seah, Project Manager NFIA by email seah@nfia-malaysia.com or by phone on +6012-2516711.
